winelist

Fine wine is an integral part of The Stackpole Inn dining experience.

Our list offers a wide selection of carefully selected wines from many of the best wine regions of the world.

The 'Coravin' system also allows access to those special wines, by the glass, to enjoy for a special occasion, or just because you deserve it!

All wines marked as coravin are available in 125ml glasses using this system. (100ml or 50ml for dessert wines)

All wines are supplied by Berkmann Wines, London

Please note that a 125ml measure of still wine is available upon request.
Due to circumstances beyond our control shippers may vary from time to time but will always be of equal quality and style.
