## WINE LIST

Fine wine is an integral part of The Stackpole Inn dining experience.

Our list offers a wide selection of carefully selected wines from many of the best regions of the world.

The 'Coravin' system also allows access to those special wines, by the glass, to enjoy for a special occasion, or just because you deserve it!  
All wines marked as coravin are available in 125ml glasses using this system.  
(100ml or 50ml for dessert wines)

All wines are supplied by Fines Wines Direct UK, Cardiff

*Please note that a 125ml measure of still wine is available upon request.  
Due to circumstances beyond our control shippers may vary from time to time but will always be of equal quality and style.*

**Château du Seuil was acquired by an entrepreneurial Welsh couple, Bob and Sue Watts in 1988.** They renovated the Château, built a modern winery re-established many of the old vineyards. From this point on the wines became known for their very high quality and finesse. **Today, Chateau du Seuil is co-owned and managed by Nicola Allison (daughter of Bob and Sue) and husband Sean, following the traditions established by Nicola's parents.** Following Nicola's medical background (she's a qualified doctor) the vineyard is Ecocert-certified organic.

**Cosmiana is the vision of Abergevenny-born Sean Craig** who since 2018 has committed himself to re-building the vineyards and gardens of the Villa Cosmiana estate. It produces three traditional Tuscan wines (whites and reds) as well as two Super Tuscans created by Sean and the renowned and award-winning enologist Barbara Tamburini, awarded best enologist of Italy by the Italian Sommelier Association, Bibenda in 2019. Villa Cosmiana's 'Super Tuscan' which bears the name of the most famous owner of the estate, Amerigo Antinori, Duke of Brindisi, is assembled from the estate's best Merlot and Cabernet Sauvignon grape varieties.

**White Castle Vineyard is a Welsh vineyard situated near the market town of Abergavenny,** owned and run by Robb and Nicola Merchant. Having purchased the 12-acre small holding in 1995 they converted the milking parlour into their home a year later, however it was 2008 before the dream of owning a vineyard become a reality, the 5 acre gently sloping, south facing field was purchased, soil tests were performed and vines ordered.

#### **Picada P15 Malbec:**

P15 refers to Picada 15, one of the many old, dusty and stony roads running through the vineyard in San Patricio del Chanar in Patagonia, South Argentina. **Patagonia is still to this day the only place with settlers coming from Wales. The first group of Welsh settlers finally began the long journey to Patagonia on the 28th May 1865.** Some 150, in total, sailed from Liverpool on board the Mimosa. Two months later they arrived at New Bay (later renamed Porth Madryn/Puerto Madryn). They had migrated to protect their native Welsh culture and language, which they considered to be threatened in their native Wales.

#### **Rhosyn and Bacchus - Llanerch Vineyard**

Established 1986, and with new owners The Davies family taking over in 2010, The Vineyard has grown from strength to strength, Llanerch has 7 different wines in its portfolio, including a blush and a sparkling. Llanerch is to the west of Cardiff near the small hamlet of Hensol.

#### **Velfrey Vineyard – Velfrey Sparkling**

Established in 2016, Velfrey occupies a gentle south facing slope in the South Pembrokeshire countryside, vines planted over 3 acres in clay loam, a soil type is found in some of the world's most prestigious wine growing regions. Topped with the coastal breeze this is the perfect area for growing superb quality wines.
